

COMMUNITY DAY

— AUSTRALIA 2025 —

COMMUNITY DAY

Our Vision

To foster a vibrant, inclusive community where individuals and organizations thrive in the education of AWS and related cloud technologies.

Empowering individuals through accessible education, mentorship, and leadership opportunities.

Promoting best practices, facilitating career growth, and driving innovation through collaborative, community-driven events.

COMMUNITY DAY

Why Sponsor?

For Consultancies & Service Providers

Talent Acquisition

- Connect with job-seeking AWS professionals
- Build your recruitment pipeline
- Showcase your workplace culture
- Meet active job seekers face-to-face

Community Reputation

- Position as a trusted service provider
- Build relationships with practitioners
- Network with the AWS community

For ISVs & Technology Companies

Lead Generation

- Connect with technical decision makers
- Demonstrate your solution's capabilities
- Showcase product integrations with AWS
- Build sales pipeline with qualified prospects

Technical Presence

- Demonstrate your AWS technical expertise
- Share product knowledge and use cases
- Build thought leadership in your domain
- Connect with implementation partners
